Blended Learning

Variety Stimulates Achievement!

Assessment Station: 20 - 30 minutes

Online assessment shows where students need help and provides personalized instruction. The STUDY mode gives immediate feedback to help students teach themselves.

Mobile Learning Station: 20 - 30 minutes

Students use Study Buddies or Tablets individually or in pairs for cooperative learning.

Tutor Station: 20 - 30 minutes

A teacher, aide or tutor builds relationships with students. They discuss what students are learning and provide direct, small group instructions.

Data Station:

Progress monitoring and reports for teachers and parents.
