

School Achieves “A” Rating for first time in 10 Years!

“With our teachers’ hard work, the one change to explain our improvement is the focused effort we made implementing Brainchild’s tools.

In reviewing state test scores, students do as well on the state test as they perform on Brainchild’s software - the correlation is that close!!”

Principal Hunter has referred multiple schools to Brainchild’s program.

- **Beach Elementary School**

51% Economically Disadvantaged

Shirley Hunter, Principal

Beach Elementary uses Study Buddies and Achiever! for its blended learning after school program, from the 2010 to the 2013-14 school years.

- **Goal**

The school needed to improve its QDI (Quality Distribution Index), which is one of three ways schools are rated in Mississippi.

- **Solution**

Implement Brainchild’s Achiever for online assessment and data-driven instruction. Use Study Buddies for personalized instruction of struggling learners.

- **Results**

32% QDI improvement in 2011

10% QDI Improvement in 2012

A rating in 2013 (up from 2 years at B)
