Copiah County uses Study Buddies with all their Special Needs students and Struggling Learners.

● Goal

Jerri needed a solution to engage her SPED learners and help them perform better on state test.

● Solution

Copiah County purchased 225 Study Buddies to use with their Special Education population. Students use them extensively in class.

● Results

Copiah improved from 13% of their SPED students scoring proficient compared to their peers to 20% scoring proficient in just one year.
