

Case Study: Alabama Win Story

Alabama district pulls 3 schools out of School Improvement

“Teachers loved it! They were able to pull such great reports that they really enjoyed the program. Our documented evidence for RTI serving Tier 1 to Tier 3 show this was a great success tool to pull us out of School Improvement and keep us out of School Improvement.”

Dr. Randy Pettus, Fed Programs Dir.

Florence City Schools uses Study Buddy and Achiever! for all its elementary and middle schools.

● Goal

Searching for products that will help pull the district out of School Improvement.

● Solution

Implemented Study Buddies in after school programs, reading programs and overpopulated classrooms. They followed this with Achiever for data-driven instruction.

● Results

Brainchild products helped pull 3 schools out of School Improvement.
