

Case Study: Large TX District Meets AYP

“Engaged Students are Succeeding.”

“We have to be very creative with our students to ensure success; Brainchild’s Study Buddy has changed our outlook in Special Education. It engages students. They feel they are succeeding and they feel better.”

La Joya ISD implemented all Brainchild products into their elementary and middle schools.

● Goal

La Joya ISD needed to focus on Special Education population to help meet AYP.

● Solution

Implemented Study Buddies, Mechanics and Achiever! in all elementary and middle schools as well as with homebound students.

● Results

The district met AYP and has steadily improved TAKS results since implementing Brainchild products.
