

Case Study: Summer School Math

All Students Pass the State Re-Test

Children's Village Academy
Kinston, N.C. 28502
Cynthia Williams
Curriculum Coordinator

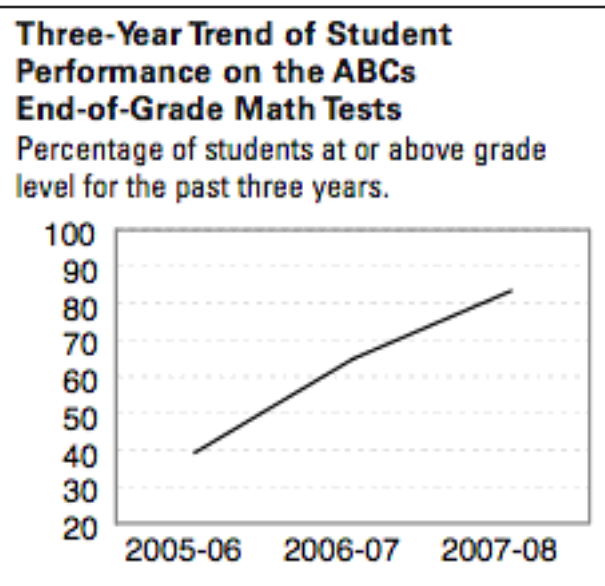

Children's Village Academy is a small school of 150 students in rural North Carolina. The Department of Public Instruction of North Carolina selected this school to test Brainchild's **EOG Achiever!** online assessment and instruction program. Children's Village Academy made AYP, meeting 13 of 13 AYP targets. Based on this school's results, the DPI wrote a favorable review.

*"For those third grade students who were required to attend summer school in conjunction with the No Child Left Behind initiative, **EOG Achiever!** was a Godsend- Through daily use of **EOG Achiever!** they all passed their test and will advance to their next grade level. Our staff is totally elated and will continue to give Brainchild high marks for the substantial part it has played in our program."*
