

Case Study: 100% Pass Science TAKS

Study Buddy Prepares Students for TAKS

“Brainchild’s handheld Study Buddy has been a wonderful asset to my classroom. It is a fantastic tool to use in centers or independent tutoring and review. It has been beneficial in preparing my students for the state test!”

Lisa Courtney, 5th Grade Science

Tom Bean Elementary uses Study Buddies for grades 3-5

● Goal

Find an engaging tool to help students understand Science concepts.

● Solution

Tom Bean Elementary School purchased Study Buddy mobile learning devices with Science Cartridges for students. The Study Buddy was used in centers as well as independent tutoring sessions.

● Results

Tom Bean Elementary School had 100% of their 5th grade students meet or exceed the requirements for Science TAKS in 2011!
